## WORK EXPERIENCE

01/05/2013–Present

### Full Stack Web Developer

Remote Worker / Freelancer

As a Full Stack Web Developer I enjoy working on every single aspect of the development of a website:

- Graphic Designing and UX.
- Responsiveness, finding the best, elegant and user friendly way to display the contents taking into account the current screen size.
- QA is mandatory:
  - Sites completely tested. Both Unit and E2E.
  - Continuous Integration server.
- Achieve grate performance. CSS over JS, optimizing images, continuous code refactoring, etc.
- Pure REST APIs architecture for CRUD apps
- The Database

#### Technologies:

- **MEAN:** [AngularJS](#), [Express](#), [MongoDB](#), [NodeJS](#).
- Grunt, Bower, Git, Protractor, Jasmine, Karma, Css, HTML5, CSS3, JQuery, etc.

01/09/2010–30/03/2013

### Software Engineer

Amadeus IT Group

485 Route du Pin Montard, F- 06902 Sophia Antipolis (France)

<http://www.amadeus.com>

Software Engineer at the R&D Division. Pure business logic team at the booking engine of Amadeus. Participating in projects with both roles: as a developer and as responsable of the project.

#### The main duties for a project owner are:

- Coordinating teams and resources planned for the project in order to ensure that the new functionality success in its DEV and INT phases according to the plans.
- Warranty hight quality of the new functionality in order to success in SVV phase (QA), until it reaches PRODUCTION.
- Participating in the project as any other developer.

#### The projects (new functionalities of a product) may include the 3 layers:

- Action (communication with the UI).
- Business.
- Access Layer (communication with the Global Distribution System through Amadeus Web Services.

#### The projects (new functionalities of a product) include 3 phases:

- *Development (DEV)*
  - Writing Functional Specifications (Identifying functional needs).

- Writing Technical Specifications.
- Coding and writing JUnit Tests.
- Pre-integration Tests.
- **Integration (INT)**
  - Running Test Scripts and fixing possible Incidents/Bugs.
  - SVV (Software Validation QA):
    - QA Support: Fixing Incidents/Bugs, ensuring success of QA validation phase.
- **Maintenance**
  - Dealing with any kind of Bug/Incident found by any type of client in every type of System or Backend (from development servers, QA servers to Production servers).

**Notable tools learned:**

- IDE: Eclipse.
- Software Configuration Management: IBM Rational Clear Case.
- IBM Lotus collaboration software.
- Maven.
- Continuous Integration Server: Jenkins (<http://jenkins-ci.org/>).
- Project Management: Microsoft Project Management.- QA:
  - HP Quality Center for Test Scripts.
  - Sonar for Code Quality (<http://www.sonarsource.org/>)

Business or sector Information and communication

01/10/2008–01/01/2010

Delft University of Technology, Delft (Netherlands)

## PERSONAL SKILLS

Mother tongue(s) Spanish

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
French	C1	C1	C1	C1	B1
English	C1	C1	C1	C1	C1
Greek	A1	A1	A2	A2	A1

Levels: A1 and A2: Basic user - B1 and B2: Independent user - C1 and C2: Proficient user  
Common European Framework of Reference for Languages

Communication skills

I am delighted by the art of recognizing when something is over or gone and must be forgotten, reinvented or renewed which implies the great ability to listen and pay attention to others' opinions.

Organisational / managerial skills

**Leadership & Organisation:**

- Fulfill objectives as project responsible, with the given resources and according to the plans.

Job-related skills

- High capability of working.
- Love for what I do, which implies responsibility.
- Capability of working + responsibility = productivity

Digital competence

SELF-ASSESSMENT				
Information processing	Communication	Content creation	Safety	Problem solving
Proficient user	Proficient user	Proficient user	Independent user	Proficient user

Digital competences - Self-assessment grid

Other skills

- Creativity
- Musician
- Emotional Intelligence
